Proposal to hire a skip to help clear unwanted goods from the Village Hall

I am writing on behalf of Radio Daze, the Somerleyton drama group, with the interests of all performing groups in mind. There is very little storage in the village hall. The preschool occupies the two back rooms as well as a shed in the back. Much of the equipment appears to be superfluous, mouldy and inaccessible. Access is also needed through the left hand side room and the rotted exterior door needs to be replaced. The external storage bin belonging to the AHS council is not fit for purpose. We will also use the opportunity to rationalise other equipment no longer in use that is stored in the hall.

I propose that AHS Council pay for a skip and set a date to help the preschool clear unwanted equipment. Once the areas are cleared of unwanted equipment, we would all be better able to rationalise storage. This is particularly important right now as we are in the process of acquiring some expensive electrical gear and stage lights. These will need to be stowed safely and securely.

The quotes below suggest a range in prices for small to extra large skips. If a medium size 5 cubic yard skip is deemed adequate for the job, the best price is £184 including VAT.

I propose therefore that a budget of £200 be allocated to complete a booking, delivery and pick up to be on the same day.

I also propose that Saturday October 1st is put forward to the Preschool to help us determine what is to be binned of their equipment. We will ask for volunteers to come help with the job.

Company	Contact	Skip Size	Cost
E E Green & Son Gt Yarmouth	01502537220	Large 8 cubic yard Equivalent 85 black bin bags	£236 inc VAT
		Medium 5 Yard Equivalent	£184 inc VAT
