Notes on the Monday Hub Accounts – January 2025.

We are now at the halfway point.

To date we have spent £201.32. In addition, there will be £60 due in village hall rent for this period making a total of £261.32. This will leave us with a balance of £338.68 for the remaining 3 sessions.
Bob Coutts will charge £100 for Gardener's Question Time in March and there will be a further £60 to pay in village hall rent for the remaining sessions. This will leave us with a balance of £178.68 so we expect to be within budget.
