Report from the Green and Environment Group, January, 2025

The Monday Hub

On December the 2nd we participated in the Somerleyton's Monday Hub, by presenting "Bird and Wildlife during the winter".
This included: How to build birdboxes and hedgehog homes, making your own fat ball feeder, bird migration, and a fun quiz on themes related to recycling.

Dark Skies

We are planning to run a Star Count Event in the February half term 2025, at Somerleyton Church.
The Campaign for the Protection of Rural England (CPRE) help co-ordinate these events across the country.
This will be particularly targeted at families with children.
This event will be weather dependent.

Recycling

The TetraPak bin collection continues with the help of a team of volunteers.

Pavement gritting

During the cold, frosty mornings the pavements in The Street have been gritted by our volunteer team from The Cedars.
