REPORT OF THE WARM HUB GROUP FOR THE PARISH COUNCIL MEETING ON NOVEMBER 6TH

At the last Parish Council meeting on September 4th, we were invited to apply for funding from Councillor Paul Ashdown's fund after we reported that we were unlikely to meet the qualifying criteria of the Government funded East Suffolk Warm Welcomes Grant Scheme.

Sue Read and Jenni Livingstone therefore applied for funding from the East Suffolk Council Enabling Communities Grant Scheme, and we are pleased to report that we have been awarded the full amount of £775 which has been paid into the Parish Council account.

A varied programme of activities has been planned, and publicity leaflets have been delivered to all households in the 3 parishes. Posters have also been placed on all notice boards in the parishes. A copy of the publicity leaflet is attached.

The first session will be held on Monday 3rd November with a cookery demonstration by Nanna Ley.

We would like to thank Councillor Paul Ashdown and East Suffolk Council for their support.
