SOMERLEYTON ASHBY & HERRINGFLEET PARISH COUNCIL

INFORMATION ADVICE & INFRASTRUCTURE GROUP

REPORT TO PARISH COUNCIL SEPTEMBER 2026

Microphone for use in Village Hall

At the regular July Parish Council meeting this group was asked to investigate the purchase of a microphone for use with the existing loudspeakers in the village hall to improve the audibility of speakers and presenters.

After considering the types of presentation made by the Parish Council it was felt that a two-microphone setup would be better; a body-worn one for the presenter and a hand-held one for audience members to participate. (For presentations without audience participation the presenter would have a choice). Following research and obtaining Steve Tull's opinion we recommend the SoundStation WF-D290HP MKII-A2, which is available for £152.17 ex VAT. (https://cpc.farnell.com/soundsation/wf-d290hp-mkii-a2/dual-uhf-1hh-1beltpack-headset/dp/MP35948?fi=wp)

Play equipment on the Green

Funding opportunities for approximately half of the total cost of £7,723 have been identified and the search for further funding is continuing.

A work party to remove the old seesaw mount and tyres is required.
